

Welcome to MediSeen, Start Offering Virtual Care Today

MediSeen is free for all Canadian Health & Wellness Providers during the COVID-19 Pandemic. Together, we can help all Canadians.

MediSeen is a secure virtual and home care platform that empowers Physicians and Allied Health Providers to see their patients conveniently online or in their home.

Book & manage patients. Set your schedule, coverage area and rates; securely manage your patient records and billings online with our HIPAA & PHIPA-compliant platform.

Book & Manage Patients

Set your schedule, and allow your patients to freely select the times they want.

Be Seen

Receive a free provider listing on our patient app available on iOS & Android.

Process Digital Payments

Get paid immediately, everytime. MediSeen is integrated with Stripe.

Benefit Coverage

Virtual Care is often covered by Canadian employer insurance programs

Signing up:

1. Go to mediseenhealth.com/pricing and select a program
2. Enter your information including your credit card to verify your account (Don't worry, it won't be charged)
3. Enter coupon code: **VIRTUALCARENOW**
4. Once complete, you'll be emailed directions to get set up

How to Set up Virtual Care

Easy to follow directions will be shared with you upon sign-up where you can quickly set up your Virtual Care schedule. You can update it at anytime.

Let's Stop
COVID-19
