

MEDLEE

We are a MDEL Health Canada product medical license holder and manufacture Canadian made hand sanitizers in quantities of 8 oz, 500 ml, 1 litre and 4 litre bottles at 65% or 70% alcohol with NPN number. We also have stock of gloves, 3 ply masks, gowns etc. We are a local GTA company with product in stock so we can ship it to your members immediately.

Owned by a fellow health care practitioner, we provide fair prices to the general public and quick turnaround times.

OAND Members can access a special discount code for \$10 off your order with a minimum purchase of \$150.
