It's simple... for everyone

Your patients can now shop the DFH website simply by clicking on your unique Virtual Dispensary URL.

They shop the products, we ship directly from our warehouse to their doorsteps, and you receive reporting of every purchase and reap the benefits of **earning commissions on every sale!**

Tip: Embed your personalized Virtual Dispensary URL as a “Menu” option, a “Shop Now” button directly on your website, or use it in a marketing email to your patients as either a link or a button. Driving them to your personal Virtual Dispensary to purchase their products can't get any easier!

Here's how you get started:

1. Access your personalized Virtual Dispensary URL by first logging into your practitioner portal at **designsforhealth.ca**
2. Go to **My Account** and choose **Virtual Dispensary** from the lefthand navigation menu
3. Fill out and submit the necessary direct deposit and tax forms to be eligible to **earn commission** (your personalized link will be activated within 48 hours of form submission)
4. Select **Click to Copy** for your unique dedicated Virtual Dispensary URL
5. Begin leveraging the power of your **new patient shopping platform**

Make it yours
